The Honorable Andrew M. Cuomo
Governor of New York State
NYS State Capitol Building
Albany, NY 12224

Dear Governor Cuomo,

As a New Yorker, I am concerned about Title XX funding for senior centers in New York City. I urge you to keep the Title XX funding for over 100 senior centers in the state budget the same in next year's budget. Every time the state wants to cut these funds and close senior centers, thousands of seniors get upset and frightened that they will lose their senior center. Senior centers keep older adults healthy and active.

Sincerely,
